Overview

Bright and Colorful

Features 3600 lumens of color brightness (color light output)¹ and 3600 lumens of white brightness (white light output)¹.

WXGA Resolution

1280 x 800 HD widescreen resolution

Wireless

Project from your laptop, tablet, or smartphone without plugging into the projector, so you can move freely about the room.

HDMI / MHL Connectivity

Stream 1080p content and mirror your mobile device with MHL & the latest in connectivity. Get instant access to movies, games and more from MHL-enabled devices.

Quick Connect with QR Code

Wirelessly access and project content from smartphones and tablets by scanning and on-screen QR code

Manual Keystone Correction

Adjusts vertically and horizontally to easily achieve a perfect rectangular image.

- **More accurate, vivid color, even in well-lit rooms** — 3,600 lumens of equal color and white brightness¹
- **Pro-quality projector** — WXGA resolution (1280 x 800) offers 2x more resolution than SVGA for projecting HD presentations and video; perfect for widescreen laptops
- **Wireless** — project from your laptop, tablet, or smartphone³ without plugging into the projector, so you can move freely about the room
- **Remarkable color accuracy** — High Color Brightness⁴ and wide Color Gamut⁵ with Epson
- **Share HD videos directly from your smartphone, tablet or streaming device** — supports MHL-enabled devices² for mirroring and charging⁶
- **Fast wireless setup for your mobile device** — just scan the on-screen QR code using your phone or tablet
- **Fast, easy setup with Epson** — get up and running in no time with easy image adjustments and convenient control
- **Works with the latest laptops and media players** — supports HDMI, the standard in connectivity, for digital video and audio in one cable
- **Portability you need for presentations on the go** — carrying case included
