Portable projector with HDMI® for everyday business presentations.

Make a lasting impression with the VS250 portable projector, offering 3,200 lumens of color/white brightness¹ for vivid presentations — even in well-lit rooms. Featuring SVGA resolution (800 x 600), the VS250 is ideal for everyday projection needs. Its lightweight design and fast, easy setup tools get you up and running in no time. Plus, Epson® 3LCD projectors deliver remarkable color accuracy, with high Color Brightness² and wide Color Gamut³. The VS250 also supports HDMI, the standard in digital connectivity, for compatibility with the latest laptops and media players.

Projection System: 3LCD, 3-chip technology
